GENERAL SECRETARIAT

Sanctions a scheme for the boarding of 100 Dry Cows at Hessarghatta.

READ—

Correspondence ending with the letter No. C5-1139—43, dated 31st December 1945, from the Chief Commandant submitting a scheme for the boarding of dry cows at Hessarghatta Grass Farm.

2. Correspondence ending with U. O. Note No. 28—45-46, dated 21st April 1946, from the Superintendent, Veterinary and Animal Husbandry Services, submitting a detailed revised scheme for establishing a temporary dry cattle farm at Hessarghatta.

ORDER No. A. F. 1255-57—A. H. 59-44-4, DATED BANGALORE, THE 17TH AUGUST 1946.

Major Simpson reported that stall fed animals did not thrive when turned out to graze, especially if the grazing was poor, unless they were given, in addition, concentrates, green grass or ragi straw in liberal quantities. He also found that dry cows were invariably turned over to grazers to graze in the outskirts of towns or to Adikarnatakas in villages resulting as it did, in the cows dying of starvation or diseases or straying from the herds and born to any of such surviving cows were worth nothing.

With a view to improving the milk yield of the cows and to ensuring the existing stock of good milk cows in the State by discriminate and systematic breeding and early care and feeding of the calves, Major Simpson submitted for consideration of the Government a scheme called "Care and grazing of dry cows" involving a total expenditure of nearly Rs. 2 lakhs.

Government considered that the scheme for boarding of dry cows was of considerable importance in the improvement of cattle wealth of the State and that this question might be pursued. The Special Officer for Animal Husbandry (the Superintendent of Veterinary and Animal Husbandry Services now) was consulted in the matter. He, in concurrence with the Superintendent of Hessarghatta Grass Farm, has accordingly submitted a scheme for the establishment of a temporary dry cattle farm at Hessarghatta in the immediate future so as to accommodate 100 dry cows in the first instance, to be transferred later to some other convenient place to be selected for the purpose in the suburbs of Bangalore City. The total expenditure on the scheme, according to the revised proposals of the Superintendent, comes to Rs. 49,300 (Rs. 35,000 non-recurring and Rs. 14,300 recurring). The Superintendent, Veterinary and Animal Husbandry Services, states that the scheme provides for the boarding of 100 dry cows, adequate veterinary aid and the services of two breeding bulls—Scindhi and Hallikar bulls as well as feeding of each animal with 1 lb. concentrate and 80 lbs. green grass. The Superintendent also recommends that each of the boarding dry cows should be charged a boarding fee of at least Rs. 10 per mensem and expects that a sum of Rs. 12,600 per annum could be realised by way of fees.

The revised scheme submitted by the Superintendent Veterinary and Animal Husbandry Services, was examined and the latter was requested to re-examine the scheme and report to Government whether any reduction in the estimate of expenditure could be made and whether it would not

possible to provide for 150 dry cows instead of 100, with the same establishment proposed to be sanctioned, so that the scheme might be self-supporting.

The Superintendent, Veterinary and Animal Husbandry Services, in consultation with the Special Officer, Vegetable Production Scheme, and the Superintendent, Government Grass Farm, have re-examined the whole question and reported to Government that a reduction of Rs. 5,000 and Rs. 1,000 could be made in the estimates under non-recurring expenditure and recurring expenditure items respectively and that it is not possible to increase the number of dry cows to 150 without increasing the establishment proportionately.

After a careful consideration of the matter, Government are pleased to sanction the scheme for the boarding of 100 dry cows at Hessarghatta with certain modifications at a total non-recurring expenditure of Rs. 30,000 and a recurring expenditure of Rs. 12,280.
